Diner Dash is a restaurant management game. Help our iconic characters to run the busiest restaurants, and satisfy every customer who comes with delicious food and good service. This game is all about time management – players must work quickly to serve customers and ensure they have a pleasant experience in your restaurant. First, the customer's seat is important - once they sit down, take their order and send it to the chef so he can cook their food. As soon as it is ready, give it with a smile and let them enjoy their delicious dishes! Finally, clean the dishes and receive payment! It's simple, right? It may seem simple but time is key. Players have to think about the order in which they complete the task. Also, players must bear in mind that the waiter can carry more than one item at the same time - this allows several tasks to be completed at once. Upgrade your restaurant and make it a player-style restaurant The money player can be used to improve the restaurant. Players can buy new items like shop curtains, more tables, and cool decorations. This all helps make the restaurant more popular and attracts more guests. This is one of the most exciting free online games we show and is one of our top rated cooking games. This free-to-play game will give you a real taste of the busy world of waiters. Play the restaurant dashboard today and see how many happy customers you can manage. Release Date December 2004 Developer Diner Dash developed by Playfirst.
